## FOREWORD

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1955 La Mezcla Staff that, as you glance through this book in the years to come, you will recapture those moments--and the echoes will begin again.

## *Dedication*

To Mr. Spohn:

We, the staff of the 1955 La Mezcla, dedicate this yearbook. He has devotedly served Armijo for many years; and he will always be remembered for his interests in Chemistry, Physics, First Aid and all extra-curricular activities such as dances, games, etc.

We are grateful to him for his devoted service, his thoughtfulness and encouragement, but above all, for his genuine interest and personal friendship.

# PRINCIPAL'S MESSAGE

TELEPHONE HARRIS

*Armijo Union High School District*  
FAIRFIELD, CALIFORNIA

Congratulations to the members of the class of 1955. What wonderful opportunities await you who have prepared well for your high school diploma. For those who have taken their formal education seriously there is more than a piece of paper indicating the goal you sought. You are prepared to go forward with confidence.

1955 may be considered the beginning of a new and wonderful era, the atomic age, with all the benefits of a new unlimited source of energy. This field of knowledge opens ways in which you may help to meet human needs. It is up to you to find these needs in this new age, then discover ways to meet those needs.

Remember, "There isn't any map on the road to success. You have to find your own way." Graduation is a time to make careful decisions in regard to your future plans. Choose your "way" carefully, whether you plan to enter your life's work, or continue further preparation in a college or university.

Whatever your decision realize seriously your responsibility of citizenship in your community, country and toward your God. Accepting your responsibilities early in life will pave the way for service to others and real happiness to you and yours. This is evidence of real maturity.

Success to each one of you as you work toward worthy goals.

## SPRING SEMESTER

# CLASSES

# SENIOR CLASS

Dear A. H. S. Under-classmen:

Just a little note to tell you about our 4 years at A.H.S. It was not all play, but quite a bit of work.

"We started in High School just as green as you were, but look how we turned out!" You can do the same too, if you'll follow order in our footsteps.

As we stepped on to the prison grounds, we were suddenly faced with a large group of upper-classmen who gently reminded us that it was initiation time. Being ever so eager to keep the peace, we eagerly progressed to class with our stockings rolled up and our skirts on backward. We entertained the upper-classmen with Indian War dances in the main hall.

We chose for our class officers: President, Dave Maupin; Vice President, Barbara Roberts; Secretary, Carol Wink. Mr. Janetsky and Mr. Schwartz were our advisors. The highlight of the year was our swimming party in the rain at Vaca Pool.

When we advanced to Sophomores we elected as President, Robert Alexander; Vice President, Wayne Little; Secretary, Eleanor Rogers. Mrs. DeLong and Mr. Russo were our advisors. The highlights of our Sophomore year were the Sophomore Hop and a swimming party in the rain at Vaca Pool.

Our Junior year was the most exciting. Our officers were: President, Joe Flores; Vice President, Sam Newman; Secretary, Cathy Newcomb. Mr. Porter and Mr. Russo were our advisors.

We ordered our rings this year and we were sure they were the nicest ones ever chosen by a Junior class. Our Junior Prom was really wonderful and the music divine. Our theme was "Easter Carousel" and Everett Norse provided the music.

At last we have climbed to the top of the ladder. As Seniors our officers are: President, Wayne Little; Vice President, Charlie Middlebrooks; Secretary, Judy Dolloff; Treasurer, Marcia Blaisdell. Our advisors are Mr. Olson and Mr. Tracas. The highlights of the year were our Senior Banquet and the Senior Ball which was simply divine. Graduation climaxed four years of fun and work.

As you can see this hasn't been a bit dull has it? The best of luck to you "underclassmen". We hope you have as much fun and as much cooperation from the students and faculty as we have had.

Vice President	Charlie Middlebrooks
Treasurer	Marcia Blaisdell
Secretary	Judy Dolloff
President	Wayne Little
